

LIGHTS THAT UNDERSTAND YOU

Institutional Lighting Handbook

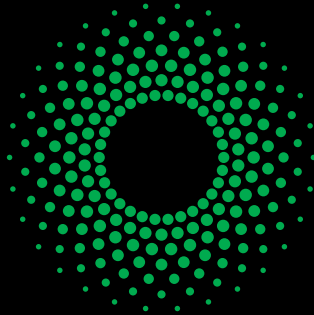

Effective from April 2019

Indiabulls | lbLED

We, at Indiabulls LED, have always strived towards designing lights that understand your lifestyle, emotional well-being and most importantly, you. And from the very beginning, our main aim has been to highlight and bring out the 'human' aspect of technology. As a result, we now offer a wide selection of LIGHTS THAT UNDERSTAND YOU and your changing needs.

Indiabulls Group is one of the country's leading business houses with interests in Housing Finance, Real Estate, Infrastructure & Securities. The companies of the Indiabulls group are listed on Bombay Stock Exchange and the National Stock Exchange. The combined market capitalization of these companies as on 31st March 2019 was ₹64,269 Cr.

LIGHT WELLNESS

Light Wellness by Indiabulls LED is a lighting system that replicates the natural daylight through artificial lighting to boost emotional wellbeing, health, comfort and productivity of individual.

Urban lifestyle compels us to work and carry out most of our routine activities under artificial light in offices, industries and other workplaces. This lifestyle has been affecting individuals with stress, anxiety, insomnia and eye-related diseases, to name just a few. Circadian Rhythm are physical, mental and behavioral changes that follow a daily cycle.

The Light Wellness concept is brought about through our daily effective lighting system that creates dynamic lighting for agile workspaces with dynamic CCT changing lighting solutions ranging between 2000K – 8000K. LIGHT WELLNESS significantly improves the lighting conditions thus improving employee productivity.

INDUSTRIAL LUMINAIRES

Indiabulls **ibLED**
LIGHTS THAT UNDERSTAND YOU

With hard to reach ceilings, expansive spaces, hot or cold temperature and long operating hours, the challenges are endless when it comes to industrial lighting. Indiabulls LED industrial luminaires are designed to deliver and overcome these obstacles by delivering better light distribution, visual acuity, colour consistency and optical control with less wattage. These luminaires even save maintenance, time and energy over conventional HID and fluorescent lighting systems.

polaris LED

This easy to install LED highbay offers you superior light output, ultimate light quality, long life, reduced energy consumption and easy maintenance.
